

QUAESTUS 60 - LUXURY MOTOR YACHT

QUAESTUS 60 - LUXURY MOTOR YACHT

Quaestus 60 is the new luxury yacht from Quaestus Yachts, designed by Dixon Yacht Designs, one of the world's leading yacht design studios.

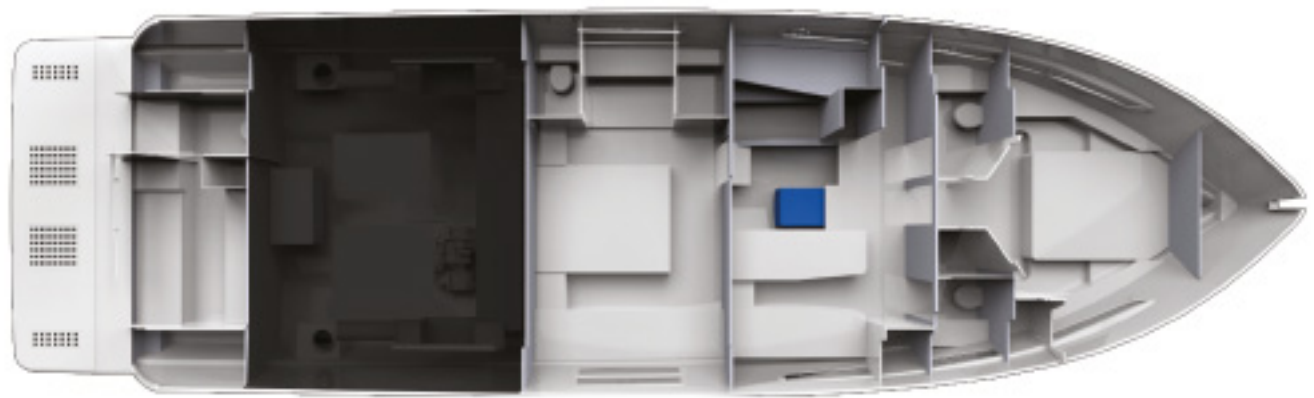

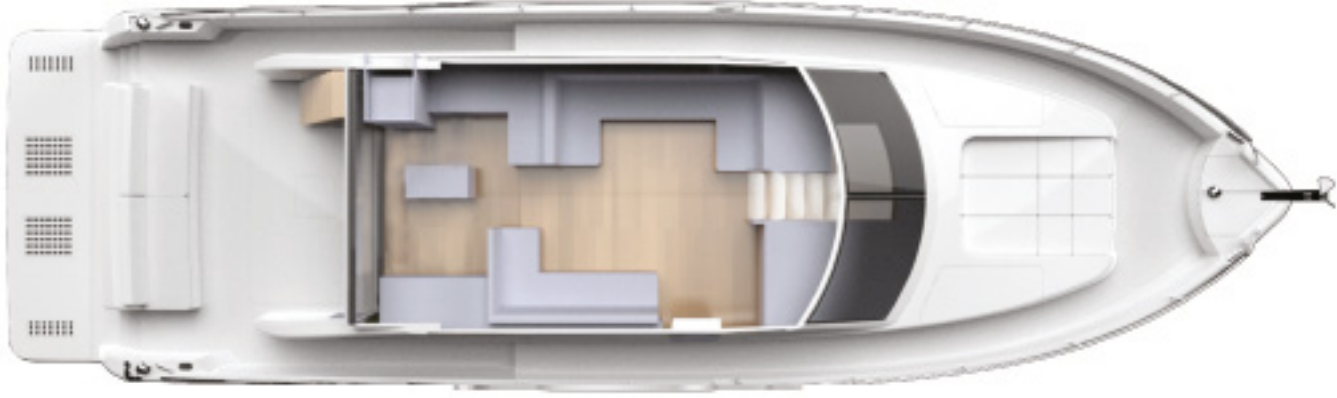

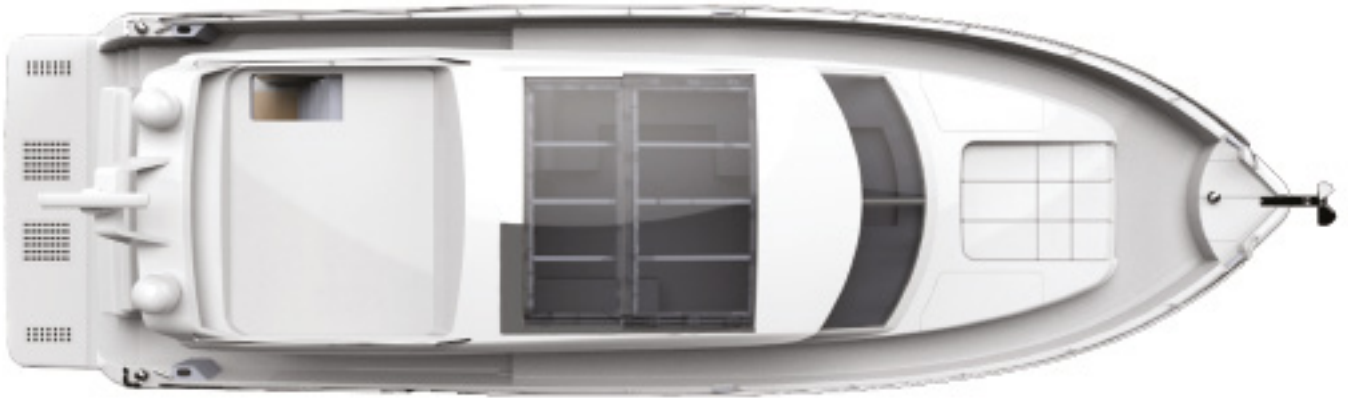

Using the latest manufacturing techniques and highest quality finishes, the Quaestus 60 has been designed for the ultimate cruising experience.

Quaestus Yachts is about more than just boat building; it is using the finest materials to create timeless elegance. We have combined the wealth of experience held within our in-house design team and on-site workshops to create a stylish yacht, that has been engineered to the highest standards of British craftsmanship.

Using the latest infusion techniques as standard in our Yachts, an epoxy resin infused hull combined with an infused deck and bulkheads make the Quaestus 60 a pinnacle in marine performance and safety.

With a customisable interior to suit your needs, our innovative yacht design creates the perfect platform for combining business and pleasure to enable you to live life to the full.
